The diagram illustrates the race progress for the 1980 Summer Olympics Men's 100m final. The central vertical axis represents the race distance, with time markers indicating the progression. The horizontal bars represent the race progress of each athlete. The athletes and their race progress are as follows:

- David BROWN JNR**: Started the race but did not finish (indicated by a bar that ends before the 100m mark).
- Robert RESPINGER**: Completed the race, finishing first (indicated by a bar that reaches the 100m mark).
- Andy DUFF**: Completed the race, finishing second (indicated by a bar that reaches the 100m mark).
- Ian NICHOLSON**: Started the race but did not finish (indicated by a bar that ends before the 100m mark).

The diagram also shows the time taken by the athletes to complete the race:

- Robert RESPINGER**: 15-8, 15-10, 12-15, 9-15, 3-15
- Andy DUFF**: 15-9, 15-13, 19-17

The diagram also shows the time taken by the athletes to complete the race:
